A PLAIN TALK TO CITRUS GROWERS

When studying our problems of orchard fertilization we find many and varied opinions as to the proper amounts of the different fertilizers to apply, the method of application, etc. We have yet to find the rancher who doubts in the least the absolute certain value of a good application of No. 1 Barnyard Manure. It can be applied any time of the year with a certain assurance that you will get value received.

A good time to cover your grove is just before you do your spring work, so as to work the manure well into the ground. You will find many of the most successful ranchers doing this at this time, it being an exceptional spring for thoroughly working the soil and getting the manure well mixed with it.

We take pride in selling only the best manures and in making prompt deliveries.

A Message from Mayor A. H. Johnson

Considerable inquiry having been made regarding the finances of our city, and also as to the necessity of the proposed increase of 25 cents in the tax rate for next year, I wish to make a general statement on these subjects.

The assessed valuation of the city is about \$1,800,000. Our tax rate has been \$1.00 on each \$100 assessment, which produces about \$18,000 per year. All the general expenses of the city have to be met and paid from this fund. A few years ago this amount was ample for our ordinary requirements, but as every one knows, expenses in every business have advanced very materially, and city expenses are no exception to the rule.

We are compelled to pay much higher salaries and wages; we are compelled for the safety of the city to carry compensation insurance on our employees; we have to extend our lighting system from time to time as the needs of our people require. We are getting more miles of improved streets each year, which the city has to keep in repair, and the old saying that "one stitch in time saves nine" certainly applies to street repairs; it must be done when needed or it will cost many times as much later on.

I might say that the following officers have had no increase in their salaries: trustees, treasurer, recorder, attorney, health officer and fire chief. The expense items which we may call our Fixed Charges, such as street lights, water for fire protection and the care of the lawn and trees on city property, salaries and wages, insurance, both fire and compensation, upkeep of the Fire Department, and sundry repairs and supplies for the past six months have averaged \$1800 per month, which is \$300 per month more than our receipts from general taxes. The wages mentioned include amount paid for street cleaning and an average of two men in the street department.

These figures are an answer to the charge that our finance committee has discontinued the use of the budget system, because we have had no funds to appropriate to purposes other than those of our necessary actual expenses, and we have endeavored to keep them as low as possible without injury to public requirements.

We now have enough money in the treasury to meet our ordinary requirements up to June 30th. Our receipts from the second installment of taxes will only be about two thirds of what we have received from the first installment, so that the latter part of the year will find our funds exhausted. The returns from this 25 cent increase we are asking for will not be available until January 1921, and we will need it very badly by that time.

We all want Upland to be attractive; we want good roads; we want good fire protection; we want our streets well lighted and kept clean. This increase will only amount to \$2.50 on each \$1000 assessment, and I earnestly hope that each voter will vote Yes next Monday, so that Upland can keep up the good reputation it now has for being the Best Little City in San Bernardino County.

A. H. JOHNSON,
President of Board of Trustees.

Easter Morning Wedding

Mr. Nelson Van Fleet, a prominent young rancher of Cucamonga, son of Mr. and Mrs. Frank B. Van Fleet, was quietly married Easter morning to Miss Maude Poole, daughter of Mr. and Mrs. C. E. Poole of San Bernardino. The affair was quite a surprise to both his friends and relatives, as their engagement was kept a secret until the last minute. Mr. and Mrs. Van Fleet will not go on their honeymoon until the return of their parents who are visiting in the East.

A roadster driven by Edwin Mottinger, manager of Cucamonga Water Company, speeding in from the east on the highway, collided with W. B. Harvey's Oakland sedan Monday, which was turning the corner of Archibald avenue, tearing the running board from the Harvey car. No one was injured.

Mr. and Mrs. Chas. Shafer, Mr. Joseph Booth, Mrs. MacKeen and her niece, Mrs. Pugsley, motored to Riverside Sunday afternoon, where they were accompanied by Mrs. MacKeen's sister, Mrs. T. W. Twogood, of Riverside, taking them through the Mission Inn. Afterwards they called on Mrs. MacKeen's mother, Mrs. Howard, and also visited the Sherman Institute and enjoyed watching the boys and girls drill.

Mr. and Mrs. Rolla McKennett and son and Misses Grace and Maude Markham spent Easter at Long Beach. Miss Hazel Small of Long Beach spent Thursday with her sister, Miss Helene Small, both returning the same evening to their home to spend the week-end.

Misses Hazel Canup and Edna Todd of Los Angeles and Mr. Clarence Anglin and Jewell Carman motored to Long Beach Sunday afternoon.

Mr. and Mrs. Rolla McKennett and Miss Grace Markham attended the street dance at Ontario Thursday evening.

Dr. and Mrs. Elexandria Kryato entertained over the Easter week-end Miss Newton and Miss O'Riley of Los Angeles. The latter is traveling through the state in the interest of Mills College.

Mrs. Marie Moeller spent Easter with her relatives in Los Angeles.

Mr. and Mrs. W. L. Dana whose birthdays are on the second and third of April, spent Sunday with their daughter, Mrs. G. W. English, and husband, celebrating the occasion by one of Mrs. English's fine dinners.

Cucamonga Woman's Club enjoyed their annual trip yesterday afternoon (Thursday) to the Domestic Science Department of the Chaffey Union High School.

Mr. and Mrs. Harold Bray and daughter motored to San Bernardino Sunday afternoon and attended the matinee.

The Aloha Club is meeting this evening (Friday) at the home of Mr. and Mrs. W. C. Belden, with Mr. Chas. M. Metzinger as host.

Mrs. G. Nelson Crowell and new son Roy Nelson are at home from the San Antonio Hospital and are doing nicely. The family are preparing to move to their new home on Kingsley avenue, Pomona, within a few weeks.

Mr. and Mrs. Frank Frost, having just returned from their New York trip and located temporarily at Anaheim, were dinner guests of Mr. and Mrs. E. S. Bishop Easter day, later calling on their old friends in the community.

Mr. W. L. Dana is on the sick list this week.

Mr. and Mrs. A. F. Savage and baby spent Sunday in San Dimas. Mr. Savage says he never saw the orange trees there so full of blossoms.

One of the most pleasant Easter events was the egg roast given at the home of Mr. and Mrs. Robert Holland. About seventy-five were present and enjoyed themselves roasting eggs and winners and playing games until a late hour.

Mr. and Mrs. Frank Bower and daughter, Miss Nellie, of Walnut, and Mr. and Mrs. Leo Creighton and little son spent Easter with Mr. and Mrs. Frank Carpena and family.

Mr. and Mrs. Joseph Wangler and family and Mrs. Maurice Bonillas and son Stanley motored to Pomona Sunday afternoon and called on Mr. and W. G. Short and family.

Mr. Johnnie Farquhar and Colonel Garrard spent Easter at Long Beach. Mrs. J. D. Anglin is able to return to her work at the packing house after a week's illness.

Mrs. Iva Mayo and friend, Miss Ruby Reeder, of Los Angeles, spent Sunday with her sister, Mrs. E. G. Eymann.

Pretty Gold of Ophir roses adorned the living rooms of the Bordwell home last Tuesday evening when Mrs. R. B. Bordwell was hostess to the members of the Bridge Club. Three former members have come back to the club, and two new ones have joined, which makes the number of tables four when every member is present. The honors for the evening's game fell to Mrs. J. F. The banquet tables, with their appointments appropriate to the occasion, were gaily decorated with spring blossoms and greenery, while the place de resistance was a great and juicy turkey, with all the satisfying trimmings, including a number of savory Russian dainties. Covers were placed for the following:

Miss Florence Mehl was hostess to the S. O. Circle Girls last Tuesday evening at her home on East Ninth street, and following the business meeting a very enjoyable time was spent. Music from the Edison added to the pleasure of the evening. Lovely refreshments were served by the hostess and her mother, Mrs. J. C. Mehl, to the guests, who were Miss Aleda Dahlem, Miss Linda Schmidt, Miss Minnie Schmidt, Miss Martha Camp, Miss Amanda Hirschler, Miss Monica Horach, Miss Ruth Horsch, Miss Gertrude Eymann, Miss Esther Krehbiel, Miss Barbara Funk, Miss Marie Niswander, Mrs. Isaac Hahsagar, Mrs. Freeman, Mrs. A. L. Weber, Mrs. John Rahn, Mrs. W. F. Dettweiler, Mrs. Marie Voigt, Mrs. Harry Ledig, Mrs. Springer, Mrs. L. L. Harris and Miss Dettweiler were the guests of the Circle.

A. B. CLASS SPENDS DELIGHTFUL EVENING—
A very delightful evening was spent by the members of the A. B. Class of the Methodist church on Tuesday evening of this week when they were the guests of two of the members, Mrs. Vera Carpenter and Miss McClair. A track meet was the nature of the entertainment afforded the guests. A "Broad jump" (measuring a grin), "discus throw" (seeing how long one could wink without grinning), "100-yard dash" (putting 10 yards of paper with scissors), "shot put" (bowling with Indian club as the object), were some of the stunts put over and were thoroughly enjoyed by the twenty guests present. Following the track meet, the guests were treated to hot chocolate and cake.

MR. AND MRS. WATENPAUGH HOSTS AT FAMILY DINNER—
Mr. and Mrs. Albert Watenpaugh entertained last Sunday at their home on East Ninth street with a family dinner at which covers were laid for fifteen. A delightful gathering took place and the afternoon passed quickly among the guests, all of whom were related. The place cards were marked for Mr. and Mrs. C. Hungerford and son, of Gardena; Mrs. Belle Buck of Los Angeles; Mr. and Mrs. F. M. Watenpaugh and two daughters of Ontario; Mr. and Mrs. Roland Watenpaugh of Ontario, and Mr. and Mrs. Marion Watenpaugh of Upland.

NEIGHBORHOOD CLUB ENTERTAINED—
Mrs. George Hall was at home last Wednesday to the members of the Neighborhood Club and a few guests at her residence on Euclid avenue. The rooms were beautifully decorated with red roses, and a very pleasant afternoon was spent with the guests of honor, Mrs. Hall's mother and sister, Mrs. and Miss Bendixon, who leave next week for their Minnesota home after spending the winter here. Other guests were Madam Hall, Mrs. Sas. Paul, Mrs. W. E. Boulton and Mrs. Harlow S. Wilson. The club members present were Mesdames J. H. Tracy, T. W. Nisbet, F. C. Buffington, E. C. Harwood, George Clark, A. E. Whitney, Kirk Vernon, R. F. Lemon, C. V. Barr, G. T. Stamm, John Ham, C. T. McCulloch, I. C. Baxter and William Phillips.

COTERIE BRIDGE CLUB MEETS—
Mrs. G. A. Brest entertained the Coterie Bridge Club members and a number of guests at her home on First avenue last Thursday afternoon. Lovely California poppies were used in decoration and a delicious two-course luncheon was served at

EASTER CELEBRATED

(Continued from Page 4)
Romon, Bogdon and Mark Krysto, Miss Elizabeth Beglaroff of Los Angeles, and the hosts, Dr. and Mrs. Alexander Krysto. Of special interest was the fact that the latter's son, Mr. Theodore Krysto, and his wife, made the exciting and novel trip down from their home at Big Bear Valley, on snow shoes, leaving the lake at 5:30 o'clock Saturday morning and taking but seven and a half hours for the trip. They left snow piled on the summit to the depth of ten or eleven feet, with two or three feet on the slopes. With the trees and rocks all sparkling in their snowy Easter garb, the journey was as one through a beautiful fairytale. The travelers were met at the foot of the trail by Mr. Vincent G. Lucas in his Studebaker, who was returning from his mountain cabin at Big Bear, and motored on to Cucamonga with him.

About Etiwanda

When the regular business session of the Ladies' Aid Society is invited to meet at a home, as they met last week at the home of Mrs. E. T. Myers, the affair at once assumes the importance of an afternoon party which every one makes an effort to attend. Mrs. C. W. Greenlee and Mrs. Mamie Cour assisted Mrs. Myers in the preparation and serving of excellent refreshments. After a brief business session, President Orendorf left the ladies free to visit and every one had a pleasant afternoon. Present were Madames O. H. Price, J. D. Orendorf, Fred Koch, A. A. Werner, Thomas Donnelly, J. H. Scott, M. R. Kemp, D. N. Foss, C. W. Greenlee, C. A. Hickcox, Sr., James McNurlin, Lillian Cour, Mamie Cour, W. H. Frost, Wm. McClean and daughter Katherine and Miss Lida Kemp. Miss Kemp was at home for the Easter vacation; she is teaching at San Dimas this winter.

Mrs. C. A. Hickcox, Sr., entertained Thursday with a delightful luncheon complimentary to her sister, Mrs. Graham, who left the last of the week for her home at Creston, Nebraska, after wintering with California relatives. Madames Morris and Ogan of Ontario, Mrs. Dale Harkness and daughter Wanda of Cale-

ico, Ruth Miller of Los Angeles, Miss Fern Farnsley of Creston, Nebraska, and Mrs. John Frost of Etiwanda were guests.

The Junior Christian Endeavors had a jolly party Friday afternoon at the church, with Easter games and refreshments. After a hunt for candy eggs, several games were played and the committee served fruit punch, sandwiches, and colored eggs. The children have wonderful things at these parties and the attendance at Junior C. E. is staying close around thirty, or practically every available child of Junior age in the colony.

The Intermediate Endeavors had a box supper and party at the church on Friday evening. This, also, was an Easter party. Each of the girls brought supper for two. Easter cards were cut in two and one piece put in each box, the girl owning the box retaining the other part. The committee in charge had planned and successfully carried out the evening's entertainment.

Mrs. Frances entertained the members of her Sunday School class at an Easter party Wednesday afternoon. After an egg hunt and games the girls were served punch and cake and Easter eggs. Joy Fisher, Dorothy Smith, Marjorie Frost, Margaret Burbank, Marjorie Tilden, and Mercedes Frost were present.

The Colton Concert Company, which we knew as the Colton Grammar School Band last year, have given us April 17th as the date when they can be with us. The concert will be given in Cypress hall, the Parent Teachers Association bearing the necessary expense.

The public is invited and is sure of a treat.

Mr. and Mrs. J. G. Thompson have purchased a home in Upland once more. This time it is not a ranch, however, but simply a place of residence on Eleventh avenue near Third street. They will remain in Etiwanda until the first of July before going to their new home.

Mr. and Mrs. John Humberstone entertained at dinner Sunday Mr. and Mrs. James Isle, of San Pedro, Mr. and Mrs. Maguire and son, and Messrs. James and Thomas Fox. Mr. and Mrs. Humberstone returned with the party to the Maguire home where they all had supper together, a day which every one enjoyed.

Friends of Mr. T. Ingvaldsen will be sorry to learn that he is still very ill at his home here. Mrs. G. W. Pearson and other friends have been assisting Mrs. Ingvaldsen in her extra duties, help being a matter of friends, not money, these days.

Mr. and Mrs. Douglas Allen have sold their home here with a part of their land and will move in about two weeks to Los Angeles. Niel Hickcox was the purchaser. He has a ranch adjoining the residence. The Allen boys will be greatly missed by the younger set in Etiwanda as they have always been a jolly addition to the local crowd.

One of the city dailies last week published the name of Miss Ruth Brownless as writer of one of the successful essays in the recent government essay contest. As out of \$5 only four were written by grammar school pupils, every one feels very proud of Ruth's accomplishment.

Miss Katherine Jones returned to her work at Chaffey Monday. She has been kept at home for some time recovering from flu.

Mr. James Wells and Mrs. Howard Yearout, both cousins of Mrs. Wm. Bacon, have been visiting at the Bacon home and have now returned to Maricopa.

Mrs. Rosetta Rupe is visiting her daughters, Mrs. Brandt and Miss Rupe in Maricopa.

Mrs. Eleanor Tanner of Los Angeles is visiting at the Charles Donnelly's. Mrs. Tanner is an aunt of Thomas and Charles Donnelly and Mrs. W. H. Frost.

Miss Emily Hitchins of Ontario spent part of her Easter vacation here with her cousin, Miss Marjorie Frost.

Alice and Gladys Bacon are out of school with chickenpox.

Evelyn Koch is missing school following an operation for ingrowing nails that recently laid her up with blood poisoning.

Mrs. Capt. Scott went to Riverside for the weekend at the home of Mr. and Mrs. Charles Jones for a visit with the family, and to remain with the children while Mr. and Mrs. Jones attended the Easter services on Mt. Rubidoux.

Miss Rowe Rader spent part of the Easter vacation with her grandfather, Mr. E. G. Rader, and her aunt, Mrs. Charles Donnelly. She returned Sunday to Los Angeles.

Mrs. Chas. Wood and daughter Florence returned Saturday to Long Beach after a visit at the home of Mr. and Mrs. Don Henderson.

The local church was suitably decorated for the Easter services Sunday and a special quartette furnished music for the day's programs.

Rev. and Mrs. C. W. Greenlee spent Friday with their family at Rincon where they visited members of Mr. Greenlee's former congregation at that place.

Mr. and Mrs. John Scott and family and Mr. and Mrs. Thomas Donnelly and son took a picnic dinner to Red Hill Sunday after church services here and spent the remainder of the day in the open.

Mr. and Mrs. C. C. Brownless and children picnicked Sunday at Newport Beach.

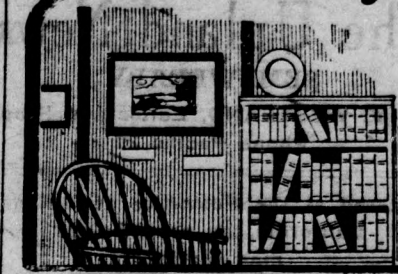

Mr. and Mrs. O. H. Price entertained former Kansas friends Sunday who are wintering in California.

While Miss Ruth Brownless and Miss Dorothy Smith were in Long Beach last week they met their teacher of last year, Miss Willson, who inquired after the pupils and friends in Etiwanda and told the girls that she was thoroughly enjoying her present work. She is a teacher this year at Fullerton.

Mr. and Mrs. Clyde Webb spent Sunday with Mrs. Webb's parents, Mr. and Mrs. Wm. Clean.

THE GASOLINE SITUATION

The Necessity of Conservation

There exists today on the Pacific Coast an acute shortage of gasoline. As this Company has pointed out on several occasions, the condition is due to insufficient production of crude oil and a greatly increased consumption of gasoline by industry and by owners of pleasure cars.

Gasoline is a vital factor in the life of the community, industrially and otherwise, and it is of the greatest importance, at this juncture, that it be used with the utmost discretion, that essential requirements may be supplied.

The present is by no means the season of maximum demand, which comes later in the year. The condition, therefore, is likely to be continuing, rather than transitory.

Responsibility for meeting the situation does not rest solely upon the oil industry. The public also has a serious duty in the matter.

On its part, the Standard Oil Company is straining its resources and organization to increase the supply of gasoline. In the field it is working for the maximum production of crude oil. In the refinery it is working for the maximum production of gasoline from the crude oil and it is spending large sums of money on equipment for new processes, of its own discovery and development, whereby a still greater yield of gasoline will be obtained.

The point already has been reached where gasoline must be conserved most carefully. That is a duty of the public. In consumption of this product, essential industries must necessarily come first—pleasure utilization thereafter.

Already the Company has taken steps toward protecting the supply for the vital needs of industry, which, if lessened, would affect the business life of the community. There is now the danger of a curtailment of supply to non-essentials such as pleasure cars.

The assistance of the public, therefore, is imperative. Until lately, gasoline has been abundant, and its lavish and extravagant use has been possible. That time is past.

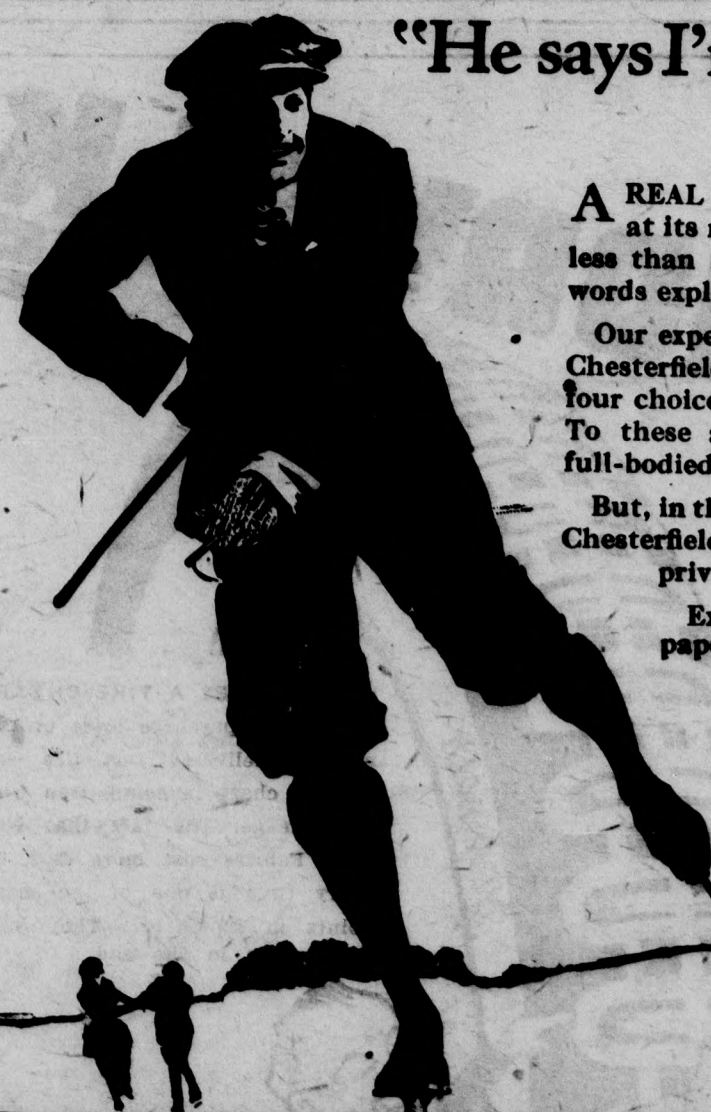

Buy as little gasoline as possible.

Use what you must—Waste none.

—Chesterfield

A REAL pal—that's Chesterfield. Look at its record. Three million smokers—less than five years on the market! Two words explain it—"They Satisfy."

Our expert buyers in the Orient select for Chesterfields only the finest grade of the four choicest varieties of Turkish tobacco. To these are added the best of mild but full-bodied Domestic leaf.

But, in the end, it's the blend that makes Chesterfields "satisfy." And the blend—our private formula—cannot be copied.

MONDAY ASSEMBLY

April 4th the Tigers gathered in
the auditorium to discuss the hap-
penings of the week before.

Bob Schafer presided over a stu-
dent body meeting and an amend-
ment to the constitution was pro-
posed, providing that the basketball
letters be changed to the Old Eng-
lish style.

Mr. Blakeslee told about our vic-
tories at Riverside and Mr. Hill ad-
ded a few remarks.

A trio composed of Fred Parker,
Eugene Moore, and Billy Hippard en-
tertained with what makes jazz
lively, namely, piano, trombone and
traps. Several lively pieces were
played and a few little by-plays in-
troduced.

The entire program appealed to all.
The officials at the C. B. L. T. M.
were thinking of getting out the pole
vault standards when Corey began
to high jump.

CITRUS BELT TRACK MEET

Riverside surely said something
when they said, "Track meet, rain,
snow, or shine." Well, it didn't rain
or snow; it shone and mud grew on
that track galore.

The track men began action
promptly at two o'clock to the time
of Redlands' "howling." San Ber-
do's "squealing." Riverside's "sil-
ence," and Chaffey's "growling,"
which never fully developed until
about ten o'clock that night.

The events and places in order
were as follows:

Corey covered himself with laurels
by breaking the C. B. L. record in
the high jump; 6 feet 1 1/2 inches
was his record, and may no man
break it except a Tiger. "You win
the gold medal, Corey."

Harper smeared the landscape in
the 100-yard dash and scraped a lit-
tle "gold dust" off of Allen's medal
by hanging close at the Rope. In
the broad jump he looked like a
Hungarian goulash cannot ball shot
by TNT(?) when he leaped 20 feet
5 1/2 inches; he also carried home a
gold medal.

Jacobs vaulted through space and
as graceful as a Greek athlete he
added more gold to Chaffey's grow-
ing coffers. He will set a new rec-
ord in the C. B. L. next year.

Corey placed in the high jump and
Pietz in the pole vault; in fact, they
surprised themselves and others as
well by their fine work. Pietz will
also vault next year.

Baer, "The boy owner of Chaf-
fey," surely put the blinkers on his
opponents' vision of a gold medal.
With his fine training he just sim-
ply dug their grave and rolled them
into it while the Wild Tigers patted
their chests with a shovelful of sod
to the tune of "The Tigers."

The Girls' and Boys' Glee Clubs
"fooled 'em" by grabbing both cups,
and then you should have heard the
Tiger yell-why, the other schools
lost their voices, pep, presence of
mind, and almost melted when we
swiped all the gold and silver from
their longing arms.

The C. B. L. will be held here at
Chaffey next year and we're going
to fool 'em again.

Our popular violin professor, Mr.
Amandus Zoellner, is with us again.
Welcome back to Chaffey, Mr. Zoell-
ner. We are mighty glad to hear
your violin pealing forth from the
"half-way house."

The Zoellner Quartette has just
returned from a three months' tour
of the United States. We know
from hearing them play that they
were received enthusiastically every-
where although they are too modest
to say so. They left December 17th,
last, and spent Christmas in New
York. They have been nearly all
over the country, giving concerts in
the principal cities. Their itinerary
called for fifty-six concerts and they
didn't miss a single engagement.
They went as far north as Duluth,
Minnesota, and as far south as St.
Louis, Missouri. In Duluth the
thermometer registered forty-five de-
grees below zero and two days later
when they were in Kentucky it was
sixty-five above. No wonder Mr.
Zoellner had a slight attack of the
flu after he returned.

A group of Chaffey students were
entertained at dinner last Saturday
night by Mrs. Buckley of San Jac-
into. The hostess is a sister of Miss
Geneva Moremen.

A delicious supper was served at
six o'clock. The evening was spent
in singing songs and generally hav-
ing a good time. If any one wants
to know what time they got home
or what a lovely moonlight night it
was, ask some one who came home
in a "Hup" or a "Nash."

TIGER GROWS

Chaffey had the evening program
all her way at the Citrus Belt Track
Meet.

From the recitations on Monday
we should judge that C. U. H. S.
students did not spend their vaca-
tion in study.

If the warm weather holds out the
roads to the beaches will be crowded
with Tiger students.

Some students worked during the
vacation, but it was not a large per-
centage.

There is a great epidemic of
spring fever raging at Chaffey these
days.

Judging by the voice of a certain
Redlands yell leader after the C. B.
T. meet, we should say that he is
getting a lot of checks for whisper-
ing.

No left hand turns in the corri-
dors from 7:30 to 4:00 p. m. would
relieve the traffic congestion.

Time flies, so does money; ask
any one who has just bought a new
suit.

Chaffey students are again using
the lawns for picnic grounds.

One strike that the students would
not object to would be a walk-out
of teachers.

We saw a straw hat on the street
the other day that was evidently a
veteran of the Great War.

The new speedway at Beverly
doesn't have half the races that Eu-
clid avenue does.

Spring and "spooning" time is here.
Mr. Mather, in history—Who intro-
duced the Dodge Bill? Harry—The
Dodge Brothers.

Mr. Zoellner wonders whether
some of the Chaffey girls are adopt-
ing the vampire walk. Girls, be
careful; such a reputation will never
do.

Miss Ruhannah Hedges spent her
spring vacation very delightfully rid-
ing as a companion in the front seat
of a Dodge. Wonder who the other
person was?

Freshman—How do you get whip-
ped cream? Senior—By whipping
the cow before milking it.

We hope the clubs won't break the
camera, but the Anthology, Esch-
oltzia, Camera, and Glee Clubs
had their pictures taken Wednesday
for the Fast.

The Junior and Senior girls are
going to find out how wise they are
Wednesday, third period. Mr. Groves
is going to give the grades of the
psychology test in accuracy and ef-
ficiency. Some may be wise or other-
wise.

That Claremont game was awfully
discouraging; we only had a lead of
about twenty runs.

EXCHANGES

Dr. T. H. McLaren, noted lecturer,
who gave a dramatic recital at Chaf-
fey several weeks ago, was the en-
tertainer in one of the Pomona High
School assemblies. He gave a short
sketch of the life of Robert Burns
and afterward dressed in Scotch cos-
tume and speaking with Scotch ac-
cent, recited several of Robert
Burns' most popular poems.

Pasadena High has a very large
attendance this year. The enroll-
ment is over 2000.

Poly High is offering a course in
photography, which has proved itself
popular with the students there.
Miss Margaret Craig, who formerly
conducted a photography studio at
Hotel Maryland, Pasadena, is instruc-
tor of the class.

There were 4681 women college
students in England, and 1882 in
Scotland in 1918-1919. The highest
percentage of women at any British
university was 41 per cent at St.
Ann's University in Scotland.

Despite the rainy weather last
Tuesday, March 23, a fairly good
crowd came out for the March meet-
ing of the Escholtzia Club.

The general topic of the program,
"Russia and the War," brought out
many details of Russia's connection
with the recent war that one does
not get from reading newspapers.
Miss Esther Boulton gave an enlight-
ening talk on "Absolutism in Rus-
sia." She told of the absolute mon-
archs from the time of Ivan down
to that of the late Czar Nicholas. The
revolutionary ideals gradually spread
until a constitution was finally estab-
lished.

Miss Lillian Widmer explained
very clearly the military campaigns
of the Russians in the World War.
Their assistance to the Allies by
drawing German troops from the
western front was inestimable.

Miss Bessie Friend discussed the
third topic, "Kerensky's Leadership."
The great revolutionist was little
known until his activities made him
world famous in a very short time.
The "Fall of the Dynasty" was the
subject of an interesting talk by
Miss Evelyn Whitaker.

The remainder of the evening was
taken up with an informal discus-
sion of Russian questions, after
which the meeting was adjourned.

FACULTY ENJOYS VACATION

Most of the Faculty members of
Chaffey spent their vacation week
resting—we believe they need it, too!

Mr. Hall was ill part of the time,
and "recuperated" the rest of the
week. On Saturday the catfish at
Lake Elsinore suffered. Pleasant, to
be sure.

Mr. Flske lent his noble presence
to Los Angeles a couple of days and
also made some lantern slides; won-
der when we'll have the "movie"?

Mrs. Neales spent her mornings
at the library. She says "It's a
work-a-day world." We agree!

Miss Henry went to her home in
Los Angeles and spent the time eat-
ing and automobile riding. Look out,
Miss Henry, or the scales will go up!

Miss Mabon had intended to view
the "sad sea waves" at Laguna, but
to visit her, so she stayed home to
entertain her.

Mrs. Blakeslee had a fine week
visiting her sister at Catalina. Lucky
"Mrs. B."

Mrs. Watenpaugh just "stayed
home and worked in the garden."

Miss Standford spent her vacation
at home, cooking(?) for her family.

A good many teachers were ex-
posed to the "wiles of a wicked
city"—among them, Miss Fredendall,
who was in Los Angeles two days
but stayed home and took life easy
the rest of the time.

Mrs. Conger had a real vacation;
all she did was "set." She didn't
even "set and think."

Miss Avery is getting to be a ter-
rible "gadder." She went to Los An-
geles about every other day, start-
ing with the day school let out. The
P. E. must have enjoyed our vaca-
tion.

Mr. Hill says he had the busiest
week he's had for some time. But,
since there are only twenty-four
hours in a day, and seven days in a
week, we don't see how he COULD
have been much busier than usual!

We are glad to say that quite a
number of Chaffey students started
their vacation well by attending the
C. B. L. Track Meet. It is hoped
that there will be more next year,
but the student body thanks those
that did attend, for they gave Chaf-
fey their loyal support.

CHAFFEY STUDENTS ENTERTAIN
Thursday evening, March 25, Chaf-
fey Band, with Mr. Clapp, Melville
Wing, Dorothy Van Arnam, and Mr.
Wilding, journeyed to Cucamonga to
assist at an entertainment at the
Cucamonga school.

Despite the rain and dust the
house was packed and a warm re-
ception accorded all.

The first number was played by
the Cucamonga orchestra, then sev-
eral readings, songs and dances were
given by the lower grades. Two
very amusing readings were render-
ed by Francis Van Fleet; Miss Van
Arnam sang two songs in her won-
derful way that is a pleasure to all
who hear, and Mr. Clapp gave an ex-
hibition of how to reduce the cost
of living with a pillow cover.

A quartette of eighth grade girls
sang two popular songs and Mr.
Wing upheld his wonderful reputa-
tion in two solos.

Chaffey Band then did all in their
power to raise the roof and nearly
succeeded; indeed, it is the belief of
the trombone section that if a cer-
tain-wise man had not opened the
rear door the Cucamonga district
would be voting bonds for a new
roof. The band lived up to its repu-
tation and played several snappy
pieces. Owing to the tremendous
size of the auditorium it is doubtful
if the audience could hear themselves
think during the band selections.

The entire program was fine and
enjoyed by all.

C. B. T. M. EVENING PROGRAM
The evening program at the Citrus
Belt Track Meet was a walkaway
for Chaffey. Three schools contest-
ed for the Boys' Glee Club Cup and
Chaffey was awarded the verdict.
Richard Baer represented Chaffey in
the oratorical contest and won an
easy victory.

The Girls' Glee Club from C. U.
H. S. defeated the other three schools
and brought the final honors to
Chaffey.

Presentation of medals to the
track victors followed, the blushing
young athletes taking their honors
modestly.

It was indeed Chaffey's evening
and atoned for the third place in
the track events.

Highest encouragement should be
given to the Glee Clubs and declaim-
ers, that Chaffey may maintain the
high standard she has set in these
subjects.

More than a little credit is due to
the Glee Clubs, not to mention the
debts due Mr. Baer, for their vic-
tories are those which count.

Chaffey is indeed proud of her
songsters, but much credit must go
to Mr. Blakeslee for his splendid
and untiring efforts in training the
girls. We are also proud of our
speakers, but be must give some
credit to Mr. Hill and Miss Plant
for their help.

Three cheers for the Tigers!

WORK ON J. C. PLAY BEGINS

The work of choosing the cast for
the Junior College play, "The Pass-
ing of the Third Floor Back," was
in progress a week before vacation
and will be finished this week to be
followed by active work on rehear-
sals.

According to the agreement be-
tween the seniors and the Junior
College, three fourths of the net pro-
ceeds are to go to the Seniors to aid
them in their Fast fund. The sen-
iors are to help in the play if need-
ed and in return the Junior Col-
lege will assist in the Commence-
ment production.

The play, which consists of a pro-
logue and act and an epilogue, was
written by the famous English writ-
er, Jerome K. Jerome. It is a play
that has attracted much attention
in England and America.

The noted English actor, Sir John-
ston Forbes-Robertson, starred in the
play for several seasons. The action
is concerned with the life of a Lon-
don boarding house. Lying, cheating
and every despicable form of deceit
were practiced among themselves.

The coming of a stranger in their
midst, who takes the most uncom-
fortable apartment at the back of the
third floor, furnishes the motive of
the action. He befriends the lovely
"slavery" reforms the life of a false
stock broker, and leads the rest of
the people around him to higher
planes of thought and living.

Two qualities of the play are wor-
thy of note. One is the deep under-
lying psychology exercised in the re-
formation of character. The other
is the element of the supernatural
that enters into it.

The play is brimful of human in-
terest and the spirit of brotherly love
predominates at the end.

Long Table

Miss Winifred West spent her vaca-
tion on their ranch near the Santa
Ana river.

Miss Palmer went to Imperial Val-
ley for the Easter vacation.

George Mittler took a trip to the
northern part of the state in his
Dodge last week.

On Monday evening during vaca-
tion Boke Won Lee gave a party in
the Upland Presbyterian church, to
about forty-five of his friends.

Miss Jean Schmitter spent Easter
Sunday in Los Angeles.

Miss Benita Spencer motored to
Glendora Easter.

Mr. Ellis Hampton spent several
days last week in Los Angeles.

Mr. DeWitt Reeder spent last week
running a tractor around orange
trees.

Mr. Richard Baer spent vacation at
his home in Tulare county.

MONDAY ASSEMBLY—MARCH 22

Monday morning Mr. Booth presid-
ed over the assembly, the program
being in charge of the Junior Col-
lege. Mr. Blakeslee made his usual
speech, then Vera MacLaren sang
two songs. There was supposed to
be a couple more numbers but the
rain evidently frightened away the
other performers, but Chaffey hopes
that there is a good deal of un-
shown-as yet—talent in the Junior
College.

A WORLD REBUILT

By the Golden Rule
not by the rule of Gold

THIRTY denominations of the Church are uniting in
a simultaneous campaign in the week of April 25th-
May 2nd.

They are uniting because the task before the Church is
too great for any one denomination; because there must be
no duplication of effort; no waste.

These churches know that the world needs many things;
but it needs Faith most of all.

They know that there can be no final solution of our
economic problems that is not a spiritual solution, based
on the teachings of Jesus Christ and His Golden Rule.

They have had the courage to survey the whole task,
and to ask for a budget large enough to sustain (1) the
work abroad, (2) the work at home including the church's
part in the huge task of Americanization, (3) the colleges
and (4) hospitals supported by the Churches, (5) the reli-
gious training of the young, and to provide (6) a living
wage for the Church's ministers.

The budget is large in the aggregate; yet
if each person who loves America would
increase his contribution by only a few
dollars the whole amount would be
easily subscribed.

We face the task of rebuilding the world.
Let the cornerstone be a strong and vital
church in every American community;
and the measuring rod by which the
builders build must be the Golden Rule.
